WITH Growth Mindsets Characteristics that Count Making Friends

The GCF Club is now a club that would be an after school program for 3rd - 6th grade students. With COVID hitting our Nation, we have turned it virtual! We will learn about and explore growth mindsets, building characteristics that count, and spreading kindness to build friendships. For now, meetings will be held virtually on Fridays from 8:00am - 8:30am with the hope to move to at school meetings during the week.

Registration is \$15 which covers materials used and a club Shirt. Cash or Checks accepted. Please make checks out to Esmond Station.

Forms are to be turned in to the front office by Friday, October 9, 2020. The Club may be split by grade levels depending on the number of members .
